5.8 bonds sold to finance projects authorized by
5.9 this section, except for higher education asset
5.10 preservation and replacement, and except

5.13 equal to one-third of the total project cost,
5.14 less the match committed before the bonds
5.15 are sold. After each sale of general obligation

5.17 notify the board of the amounts assessed for
5.18 each year for the life of the bonds.

5.19 (b) The commissioner shall reduce the
5.20 board's assessment each year by one-third of

6.26 project for which the original appropriation
6.27 was made and the debt service requirement
6.28 under subdivision 9 is reduced accordingly.
6.29 Minnesota Statutes, section 16A.642, applies
6.30 from the date of the original appropriation to
6.31 the unspent amount transferred.

9.14 For any project listed in this subdivision

9.16 ready to proceed or does not expend all the
9.17 money allocated to it, the commissioner may
9.18 allocate that project's money to a project on
9.19 the commissioner's priority list.

9.20 To the extent that the cost of a project in
9.21 Breckenridge, Crookston, Granite Falls,
